1. How will request assist in achieving Department Goal and benefit the customer

Per City Council and Administration urging, and recommendations from the 2021 MRA Communications Study, the MRA has a new Communication Specialist position. This is the first year of this position so we anticipate knowing more of our specific needs for each year moving forward. Audit contract increase is for services for audit of fiscal year ended 2022 per the executed contract. Graphic Design budget is established to assist with design of public outreach material and annual reports as recommended in the Communication Study and public feedback. In February 2022, the MRA Board approved funds for additional project management services to assist with redevelopment projects as needed, for example with implementation of URD II Sunset - Strategic Plan.

2. What specifically is needed to achieve this goal?

Additional funds will be needed for professional design, outreach efforts, reporting, project management, etc.
