## BILLING

ACCOUNT # \_\_\_\_\_ TO \_\_\_\_\_

BILL ADDRESS \_\_\_\_\_ DATE \_\_\_\_\_

(Base Rate AMOUNT \$136.91 or current tariff per month)

Charges will begin at the above date. A temporary account will be opened, and users will be charged a base rate of **\$136.91/mo** plus consumption at **\$2.33 or current tariff** per hundred cubic feet (748.019 gal.).

Customer will be charged a monthly service fee plus consumption. The customer is required to email the number of loads used each month to [waters@ci.missoula.mt.us](mailto:waters@ci.missoula.mt.us) no later than the 20<sup>th</sup> of each month. **If we have not received the usage by the 20<sup>th</sup>, your account will be estimated.** When hydrant use is finished, please return the metal sign to Utility Billing and close your account. Give the final number of loads used.

**PLEASE NOTE that if you do NOT contact Missoula Water to close account and return the metal Missoula Water sign and meter, you will continue to be charged until you do so. There will be no exceptions and no refunds.**

**The undersigned acknowledges that water supplied from a fire hydrant is not potable water for human consumption. Upon request, Missoula Water can provide a site to provide potable water. Upon receiving water from that source, the user of the water assumes sole responsibility to ensure the water remains potable.**
